

MYSAT DTH SUBSCRIPTION AGREEMENT

MYSAT DTH SUBSCRIPTION AGREEMENT

EFFECTIVE FROM 1 September 2010 This Agreement sets out the terms and conditions on which we will provide you with the MySAT Service. If you have received an information kit, then this Agreement starts when you fill in the application form and agree to take up the service by signing the contract, and purchasing a Smart Card.

SMART CARD AND HARDWARE

This section of the Agreement tells you about the installation of the Smart Card and, if applicable, Hardware and how you can use them.

INSTALLING THE SMART CARD AND THE HARDWARE

You will be required to pay for the cost of any third-party services that may be necessary in connection with the installation of the Smart Card and hardware to your Address (for example, a qualified installer or licensed electrician).

If you purchase a receiver from World Media International (WMI), then WMI is responsible for tuning the receivers. However, you are responsible for installing the Smart Card and the hardware at your Address at your own expense. If you already have a receiver then WMI is not responsible in any way for your receiver. In case you will need to upgrade your existing receiver, WMI strongly recommends that you purchase a WMI receiver. If your receiver is loaned from us during a promotional period, you acknowledge that we own the receiver at all times.

PERMISSION FROM OWNERS CORPORATION

If you live in a multi-dwelling unit block or townhouse complex, you need to obtain permission from your owner's corporation for the installation, maintenance, inspection and removal of the Hardware.

EXISTING HARDWARE

If you already possess a Ku band satellite dish, then in order to receive the MySAT Service you must ensure that you have an Irdeto 2 Compatible receiver, that all necessary Hardware has been installed and or modified and is in working order at your Address. You must seek approval of the hardware owner if the hardware is not owned by you. We will provide you with a Smart Card to allow you to access the Service using the Equipment. We will always own the Smart Card. You will need to pay a \$50.00 one off fee on the smart card.

As well as the Smart Card you will need the following Equipment to receive the service:

- Ku band Satellite Dish;
- Irdeto 2 Compatible Receiver
- Cabling from the Satellite Receiving Equipment to the Set Top Box, and from the Set Top Box to the television or monitor;
- Television or monitor.

If you already have a Receiver, please ensure that it is an Irdeto 2 Compatible You (or another provider) may supply your own Equipment (or components of the Equipment) to access the Service using the Smart Card, but we will not be liable in any way for your Equipment or Equipment not provided by World Media International. We are not responsible for your use of existing Equipment, it is your responsibility. We do not assume ownership of any existing Equipment at your Home Address. You must arrange for the installation and payment of the Hardware at your Address yourself with a qualified installer. MYSAT is not responsible for the purchase or installation of the Hardware and has no relationship with the installer who installs the Hardware on your behalf. You will own the Hardware. You will also be required to pay for the cost of any third-party services that may be necessary in connection with the installation of the Smart Card and Hardware to your Address (for example, Installer or electrician).

HOW YOU CAN USE THE SMART CARD

You may only use the Smart Card to receive the Service from us at your Address in accordance with the Agreement. You must not use the Smart Card for any other purpose. You pay for the subscription of the service that is activated through the Smart Card. Since the Smart Card remains the property of WMI, must be returned back to WMI upon completion of the contract. There is an initial one off Smart Card fee of \$50 to be paid upfront.

MYSAT owns the Smart Card and has a right to use it and give it to you to use. You have no property or ownership rights in the Smart Card unless this Agreement says otherwise. You must advise anyone that attempts to remove the Smart Card that it does not belong to you.

WHAT YOU NEED TO DO WITH THE SMART CARD

you will:

- use the Smart Card properly in accordance with the information kit we provide you.
- keep the Smart Card in good and useable condition at all times.
- notify us as soon as possible if the Smart Card is damaged, destroyed or interfered with in any way.

WHAT YOU CANNOT DO WITH THE SMART CARD

You are not allowed to authorise anyone else to:

- connect, use or authorise the use of any Smart Card or device or Broadcasting Decoding Device to or with the Equipment which may split, record, re-encode or affect the Service or which is intended to override any Technological Protection Measure;
- affix the Smart Card to any property at your Address or move, take (or attempt to take) the Smart Card, maintain or interfere with or make any connections to the Smart Card without our consent, unless we ask you to or in accordance with the Installation Guide
- insert, remove or replace the smart card, unless we ask you to or in accordance with the information kit we provide you with.
- do anything which is inconsistent with our or our suppliers' rights in the Smart Card including removing any marking or notice which identifies the Smart Card or who owns the Smart Card.

WHEN WE WILL REPAIR AND REPLACE THE SMART CARD

We will repair, maintain and if necessary replace or send you a replacement Smart Card at our cost while you receive the service unless this Agreement says otherwise.

However, if the Smart Card is faulty because you have damaged or mistreated it or used it improperly or breached this Agreement, we will charge you our reasonable costs for repairing or replacing it.

We will charge you for any work we have done to try to find the fault or repair it if you report a problem and we find that there is no fault, or the fault was not caused by us.

REPLACEMENT SMART CARD AND/OR RECEIVER

If the smart card or receiver (If the receiver is purchased from us) needs to be replaced because it has been deemed to be faulty by WMI then we will replace it at no charge, provided it is still under the 1-year warranty and provided the client has mailed or deposited the faulty smart card or MySat receiver to World Media International.

IF SMART CARD IS LOST OR STOLEN

You need to contact us immediately if the Smart Card we own is lost or stolen. You should also contact the police if the Smart Card we own is stolen. You will also need to give us any report or incident number, which the police give you when you report the Smart Card stolen. We will charge you the unrecovered Smart Card fee in the Pricing Guide to replace any lost or stolen Smart Card.

REMOVING OR RELOCATING THE HARDWARE

If you wish to remove or relocate any Hardware, you need to engage a qualified installer at your cost to undertake this work.

Unless this Agreement or the law says otherwise, we are not obliged to repair any damage to your Address or any of your property caused by the removal or relocation of the Hardware. Also, if you are moving to a new address, you need to contact MySat and inform us, by a formal letter, of any and/or all the changes.

ADDING HARDWARE

If you want to install additional Hardware, you must supply it and install it at your own expense.

THIRD PARTY SERVICES

If you receive a Third Party Service you acknowledge that:

- You are responsible for all costs and charges payable to any Third Party Service Provider;
- we are still entitled to terminate this Agreement in accordance with its terms without any further liability to you. See Liability.

TRANSFERRING THE SERVICE TO ANOTHER ADDRESS / ANOTHER NAME

You may request to transfer the Service to another address. You acknowledge that we may not be able to provide the service to the new address due to various reasons. PAYMENTS:

PAYING US FOR THE SERVICE

Every Due Date you have to pay us:

- the Subscription Fees for the Billing Cycle during which the Due Date falls (this means you are paying Subscription Fees in advance to the end of the Billing Cycle); and
- All General Charges incurred during any previous Billing Cycle which have not been paid.
- You acknowledge that:
- You have to pay these charges even if they have been incurred by someone else at your Address or have been carried over from previous Billing Cycles. Payments will be due on the first day of every month. If you subscribe to us any day other than the first of the month, you will be charged for the difference. Subsequent Payments will become due every three months, six months or one year. The owing amount will be debited from your account accordingly. You will be charged these payments even if they have been incurred by someone else at your Home Address or have been carried over from a previous billing period.

Payments are to be made by direct debit from a nominated bank account or by charging your credit card account. It is your responsibility to ensure that there is sufficient credit on your credit card account or sufficient funds in your bank account to cover the payments. If there is insufficient in-sufficient funds in your bank account or in-sufficient credit on your credit card to cover the payments we may suspend your service until payment is received in full. You will be reliable for paying the extra charges imposed on the company.

For Direct Debit/Credit Card Charges

In the case of Direct Debit from a bank account, you will be required to agree to a Direct Debit Request Service Agreement and sign a Direct Debit Request form prior to the commencement of the Service. The same thing applies for Credit Card payments. The first charge may be made on placement of your order which will comprise the remainder of the first month's subscription fees and either three months, six months or one year subscription in advance, the bond on the smart card and the set top box (if applicable). Each subsequent charge/debit will be made every three months, six months or one year in advance depending on your choice of payment. Upgrading of your subscription package/s may also be deducted or charged under the Direct Debit/ Credit Card agreements. If you wish to suspend, cancel or stop Direct Debit/ Credit Card payments, you are required to give a one month notice in writing, before your account is due again.

CHANGES TO FEES AND CHARGES

You acknowledge that we can change the Subscription Fees, the prices in the Pricing Guide, and the General Charges at any time. We can impose new fees or charges. We will tell you about any changes to the Subscription Fees prior to the increases taking effect. We will notify you of any changes to or any new fees or charges via the World Media International website (www.worldmedia.com.au) or when you contact us in relation to services associated with the fees or charges.

If we change the Subscription Fees for the Basic package other than to reflect an increase in CPI during the Fixed Term you can terminate this Agreement. You need to give us notice within 31 days of us advising you of the change that you want to terminate. If you do this you will not have to pay the Early Termination Fee. The rules under the heading "When this Agreement ends" tell you when the termination will take effect. If you continue to accept the Service after we notify you of a change to the fees and charges we will treat you as having accepted that change.

IF YOUR PAYMENT METHOD FAILS

If any payment method you use to pay us fails then we may charge you a dishonour fee as set out in the Pricing Guide.

WHAT HAPPENS IF YOU DO NOT PAY

If you do not pay us the total amount due by the Due Date we can do one or more of the following, without telling you first:

- restrict the Service you can receive from us;
- suspend the Service until all amounts due have been paid;
- terminate this Agreement - See when this Agreement ends;
- take legal action against you to recover any overdue unpaid amount;
- refer you to a collection agency; and/or
- report your default to a credit reporting agency (see Reporting payment defaults below for when this might happen).

If you do not pay us within 30 days after the Due Date, we may charge you an additional collection fee as set out in the Pricing Guide.

PROGRAMMING PACKAGE - PROVISION OF CREDIT: if you do not pay any Subscription Fee by the Due Date, have still not paid us on the day which is 8 days after the Due Date, and we continue to supply the Programming Package and you continue to accept that supply, then you are liable for the overdue amount.

REPORTING PAYMENT DEFAULTS: If:

- Any unpaid Subscription Fee remains unpaid for a further 60 days after the Deferred Due Date; or
- Any unpaid General Charges, and we have taken steps to recover the relevant amount, we may report your default to a credit reporting agency. If we report your default to a credit reporting agency your credit rating may be affected and you may have difficulty obtaining credit in the future.

WHEN WE WILL RECONNECT YOU

If we suspend the Service for non-payment, we may reconnect you if you pay all outstanding amounts. You must pay a reconnection fee as set out in the Pricing Guide.

- the Billing Cycle is always at the beginning of the month, if you reconnect any day other than the first of the month, you are required to pay for the remainder of the days leading to the first of the following month as well as three months, six months or one year subscription in advance.

GST

The Subscription Fee and the other charges set out in the Pricing Guide include GST. If any other amounts are payable under this Agreement and incur GST you will pay us an additional amount equal to any GST we incur.

WHEN THIS AGREEMENT CAN BE TERMINATED

either of us can terminate this Agreement by providing 31 days notice to the other. If you terminate this Agreement you must pay your Subscription Fee in full, as well as any other fees or charges for which you are liable to the date on which this Agreement ends and you stop receiving the Service. We may require you to provide us with written confirmation of your notice to terminate this Agreement.

You may also end this Agreement by exercising any right you may have under Fair Trading Laws. In that case, you will not be required to pay the Early Termination Fee. Any rights you have under the Fair Trading Laws will apply to you to the extent that they cannot be excluded from this Agreement.

However, we can terminate our obligations under this Agreement immediately if you breach the Agreement, or if any other part of this Agreement says so, unless the law requires otherwise.

WHAT YOU PAY IF THE AGREEMENT IS TERMINATED

We may send you a final statement once we calculate all of the charges you are responsible to pay when this Agreement ends. You must pay us the total amount due by the due date stated in the statement. If you do not, then we can:

- take legal action against you to recover the unpaid amount; and/or
- refer you to a collection agency; and/or
- if the amount remains unpaid for 60 days after the due date and we have taken steps to recover the amount, report your default to a credit reporting agency. If this Agreement is terminated before the end of the Fixed Term (including termination by us for breach of the Agreement by you or termination by you) you must also pay an Early Termination Fee, unless this Agreement says otherwise.

RETURNING THE SMART CARD

On termination for any reason you must follow any directions we give you about the return or collection of the Smart Card.

WHAT HAPPENS IF YOU DON'T RETURN THE SMART CARD

If you do not return the Smart Card which you are required to return to us within 2 weeks after disconnection, we may:

- charge you an unrecovered equipment fee as set out in the Pricing Guide;

We will give you a receipt when we receive the Smart Card. You should retain this receipt for 12 months and, if we ask for it, provide it to us as proof that you returned the Smart Card; otherwise we may charge you the unrecovered Smart Card fee as set out in the Pricing Guide.

RECONNECTING YOUR TV

You are responsible for reconnecting and tuning your Hardware so that it can receive broadcasting channels when this Agreement is suspended or terminated for any reason.
